

Dr. C. Mohan

IBM Fellow
Former IBM India Chief Scientist

Can India Be An Innovation Superpower?

Dr. Mohan will present insights into India's current and future potential as an innovation leader in the coming decades. Building upon three years of experience as Chief Scientist for IBM India, regular visits to the country over many years, personal experience as a successful innovator with 34 patents, as well as experience in one of the most innovative corporate cultures in the United States, Dr. Mohan brings a broad and practical view to the question of India and innovation.

Lecture to be chaired by Mr. Kumar Malavalli.

India Community Center, 525 Los Coches St., Milpitas
Wednesday, March 24, 2010 at 6:30 pm - 8:00 pm
