

Director
Indian Institute of Management, Bangalore

Dr. Pankaj Chandra

Presents

Management Challenges and Opportunities in India

Join us when Dr. Chandra discusses the possibilities and challenges of management in India in the coming decade. Drawing on extensive research and consulting in diverse industries, Dr. Chandra will provide insights into how Indian firms and managers are evolving to adapt and shape global challenges and opportunities. He will talk about creating new pathways for innovative practices in Indian organizations – both industrial and social.

India Community Center, 525 Los Coches St., Milpitas
Wednesday, April 28, 2010 at 6:30 pm - 8:00 pm
